EDUCATION

Germanic Languages

Ahram Canadian University (ACU)

10/2022 - 07/2026 Location

- Literatures, and Linguistics.

PROJECTS

First Star I see Tonight

- Translated the 5 pages story from English into Arabic.
- The story was about Thomas, a Scientist working with his team to discover something new, but by mistake he made a big mistake, he stole the stars from the Sky, or that what people thought

Short Stories

- Many short ones

SUMMARY

As an undergraduate, I bring a strong linguistic foundation in German and English, along with a passion language and cultural nuances. Eager to apply academic knowledge in a professional setting, demonstrating a commitment to precision, collaboration, and continuous learning.
